0800	<div>Wednesday</div> <div>Main Venues</div>															
0900							0830-0915 Morning Yoga						Early Morning 0600-0700 Early Morning Bird Walk - Meet at the Taxi Rank 0730-0815 Primary Tool Maintenance: Practical Yoga for Your Farming Body - Workshop Tent			
1000							1000-1100 A land use framework: powering the change in farming and nature?	1000-1100 Pastured Pigs: beyond the farm gate	1000-1100 Worming your way to better soil health	1000-1100 Does the agriculture input sector have a role in regen ag?	1000-1100 The Great British Wool Revival: Rebuilding from farmer to fashion	1000-1100 Nature Markets Update - where are we now?	1000-1100 Measuring Food Quality, Nutrition and Health	1000-1100 Unity in Diversity: Europe's Farmer-led Agrifood Revolution		
1100			1100-1200 Regenerative viticulture meet & greet		1115-1145 Regenerative Allies: Beetles, Cattle & Trees						1100-1200 Dung Beetle Safari	1100-1130 Pasture-Raised Layers Safari 1130-1155 Mob Grazing Kit Demo	1100-1200 Benefits of Trees on Farms Safari			
1200	1215-1230 Thought for the Day – A Very Special Guest 1230-1330 What is all this talk about Regenerative Agriculture?	1200-1300 Reshaping supply chains for a regenerative farming future	1200-1300 Milk; The original, and controversial, superfood	1200-1300 Uncovering Limiting Factors on Your Farm	1200-1300 Can Curlews Live on Farmland?	1200-1300 AI in Ag: What's Possible, What's Not, What Farmers Need to Know		1200-1300 Research in no-till organic vegetable production	1200-1300 Farmers in Conversation							
1300					1315-1345 Regenerative stacking						1300-1400 Butchery Unit Tour	1300-1400 Hedgerow Safari	1300-1400 Farm wildlife habitat safari			
1400	1400-1500 Inside the room: Can British Farming Be Saved?	1400-1500 Breaking free: can farming ever escape its glyphosate dependency	1400-1500 Silvohorticulture - integrating trees into vegetable production	1330-1430 Subtle Energies of The Land	1400-1500 The ecological importance of livestock with a case study	1400-1500 Can protected sites be improved through regenerative farming?		1400-1510 A perspective on Agroecology, Regen Ag & Paradigm Transitions	1400-1500 Reforging our relationship with seed							
1500				1430-1530 Working With Subtle Energies of The Land		1515-1545 Managing perennial weeds in low input systems				1500-1600 Cover Crop Clinic: I'm begging you for MERCI!	1500-1600 Regen rotation tour incorporating no-till potatoes	1500-1600 Regen Field Trip: learning to use the Regen Indicators	1500-1600 Biodiversity Bimble			
1600	1600-1700 Food system shocks: what's needed for civil food resilience?	1600-1700 Facing the challenge of antimicrobial resistance - NIAB	1600-1700 Enhancing Natural Capital Through Innovative Regenerative Farming	1600-1700 Teamwork Makes The Dream Work	1600-1700 How to build a movement of community nature recovery	1600-1700 Beyond Yield: Building Profitable Regen Systems		1545-1700 Farmers helping Farmers in the Land “Down Under”	1600-1700 Growing the Future: Children, Food, Farming & Sustainability							
1700										1700-1730 Using indigenous diets to shape our food system	1700-1730 Mob Grazing Kit Demo					
1800	1715-1845 Growing Resiliency to Floods and Heat through the Soil Sponge	1730-1830 Regenerative Sourcing: a symbiosis of chefs, farmers & middlemen?	1730-1830 Gaining ground	1730-1830 The power of oral histories of agriculture and ecology	1730-1830 Defra's ADOPT: what's the opportunity for regen innovation	1730-1830 Models for small-scale local meat and the infrastructure we need		1730-1830 Ozempic vs Organic	1730-1830 Bringing Beans and Pulses back home	1730-1830 Obvious to you, amazing to others						
1900					1830-2000 Drinks in the Study	1900-2000 Soil Farmer of the Year 2025			1900-2000 How to Fall in Love with the Future - book launch		1830-1930 Mob Grazing Demo	1830-1900 Bale Unroller Demo	1900-2000 Regenerating the Land one BBQ at a time			

	Agroforestry Tent	Wildlife Trust's Farming with Nature Stage	Pasture for Life Tent	Soil Medic Tent	Soil Association Tent
0800					
0900	Wednesday Other Venues				
1000	1000-1030 Why Choose Trees?			0915-0945 Feed the Soil Farm Trials	1000-1200 Story Shack
1100	1030-1100 Tree species selection				
1200		1115-1200 Farming smarter: the data on nature friendly farming	1130-1200 Pasture for Life Membership & Certification	1115-1145 How to Feed Your Soils: Solutions from Around the World	1100-1200 Sow What? How Exchange Market shares costs of sustainable farming
1300	1200-1300 Shelterbelts - Opportunity for land resilience and productivity				
1400		1315-1400 Lowland peat Solutions - Rethinking farming on lowland peat	1300-1400 Grazing Planning Workshop	1300-1400 Soil Surgery	1330-1430 Unpacking the opportunity in the organic market
1500	1400-1500 Taking the Golden Hoof One Step Further				
1600		1515-1600 Are you Beaver-ready? How beavers can boost your farm resilience	1500-1545 Couples Therapy	1515-1545 Bokashi and Microbes	1500-1600 Serving up sustainability: public sector journey to agroecology
1700	1600-1700 Feeding Trees to Livestock: Opportunities and Practicalities				1600-1700 Seeing the Whole Picture: Towards Accurate food Eco-Metrics
1800		1700-1745 How can we cultivate the skills needed for regenerative farming?	1700-1730 Finishing cattle on pasture	1700-1730 Aerobic Composting	
1900	1830-1930 Confessions of an Agroforester			1830-1900 Feeding the Soil: What Do the Results Really Look Like?	

AHDB Tent	On Stand & Elsewhere on Site				Bookworm Tent	Drill Demos
	0900-1000 <i>Taxi Rank</i> Veteran Trees: Discover what lives inside old trees	0930-1000 <i>DF H42</i> Resonating Fields				
					1000-1030 Sowing British Seeds - Securing our future	
1130-1200 Don't let weeds take the lead	1100-1200 <i>AFN Network+</i> Building public resilience to food system shocks	1100-1130 <i>DF B45</i> Earthworms and their impact on farm soils in the UK and Austria 1130-1200 <i>UK CEH Stand</i> Automating biodiversity monitoring	1100-1130 <i>Frontier DF D39</i> Crop Plot Tours 1130-1200 <i>DW4</i> Windrow Compost Turning Demo	1115-1145 Rainfall Simulator		DS12 - Horizon DS11 - Sumo UK Ltd DS10 - Claydon DS9 - Tuckwells
					1200-1230 Stories of Vanishing Species and Reasons for Hope	
1315-1345 Food First: The Ultimate Nature-Based Solution for Sustainable Farming	1330-1400 <i>MS16</i> Introduction to coaching: A free coaching session - Vidacycle	1300-1330 <i>PF E19</i> Turning no-chem regen grains into Fielden Whisky 1330-1400 <i>PF C9</i> Rainwater Harvesting - What, How & The Benefits	1300-1330 <i>DF H30</i> Q&A for your Feed & Forage Goals - Barenbrug 1330-1400 <i>DF F33</i> Niab stand tour - the science behind regen-ag	1300-1330 <i>DF E34</i> PES Technologies: In-field Soil Health Indicator Measurement Demo	1330-1400 <i>Book Signing</i> Elena Mannion	DS8 - UK Farm Agri DW7 - Väderstad Ltd DW6 - Horsch DW5 - Fentech Agri
					1400-1430 God is an Octopus - Ben Goldsmith	
1515-1545 Green Food Rebellion: How can farms feed values, not just bellies?	1500-1600 <i>PF E1</i> Pond Safari - FWAG	1500-1600 <i>AFN Network+</i> Alternative proteins, what's in it for farmers & land use change?	1500-1530 <i>DF H42</i> Resonating Fields 1530-1600 <i>Affinity Water</i> Live demo: Handheld scanners for soil testing	1500-1530 <i>DF D39</i> Crop Plot Tours - Frontier	1500-1530 <i>Book Signing</i> Andy Dibben & Ben Raskin	DW4 - Richard Western DN3 - Dale Drills DN2 - Weaving and Agrii DN1 - Garford
					1600-1630 Sacred Business: Aligning with Earth's Wisdom	
	1700-1730 <i>NFU Stand</i> A closer look at the benefits of a protein break crop	1700-1730 McArthur BDC and Bühler UK grain separation & cleaning demo		1700-1730 <i>BTO Stand MS8</i> Farm bird surveys – how to track effects of conservation measures	1700-1730 <i>Book Signing</i> Thomasina Miers	
1830-1930 Seeding Changes with the AgriLeader Circle Live from Groundswell	Twilight Programme 2000-2100 We Feed The UK Hot Poets Show - Workshop Tent 2000-2100 Sounds of the Ark - DJ Tom Pycraft - Earthworm Arms 2115-2215 Police Dog Hogan - Earthworm Arms 2230-0000 A Rather Tall and Legendary Guest on the Decks - Earthworm Arms
