

	Conference Barn	Seminar Barn	Soil Tent	Agricology Discussion Tent	Old Dairy	Elsewhere on site
0900	0900 - 1000 Allan Savory - "A Commonsense Revolution to Restore Our Environment"	0900 - 1000 Allan Savory - Live feed from Conference Barn	0900 - 1000 CSF - How to check soil health and knowing where to stop	0900 - 1000 Tom Martin, Clive Bailie, Humphrey Mills - Conversation with UK No-Tillers	0900 - 1000 John Baker - The future of no-tillage (understanding the "INVISIBLES")	
1000	1015 - 1045 Affinity - Cover Crops for soil, water and the environment.	1000 - 1130 Joel Williams and Amir Kassam - First Principles		1015 - 1045 Q&A with Frédéric Thomas		D1 Cross Slot D2 Sly Agriculture D3 Sly Agri D4 Dale Drills
1100	1100 - 1200 Charles Massy - Call of the Reed Warbler: A New Agriculture - A New Earth		1100 - 1200 Stephen Briggs, Tom Staton & Helen Cheshire Agroforestry - a win win for farming and the environment	1100 - 1200 Agricology Bringing in the Good Guys - IPM in practice	1100 - 1200 Henry Dimbleby interviewed by Rosie Boycott - Does Britain need a Food Policy?	1100 - 1130 New Ag - Connected Weather Station - On Sencrop Stand
1200	1215 - 1245 Gary Markham GW No-Till Benchmarking - The finances One Year On	1200 - 1300 Jay Fuhrer - Rebuilding and Maintaining Life in the Soil	1200 - 1300 Russ Carrington, Jo Smith, Paul Woodgate & John Cherry - SilvoPasture Design Workshop	1215 - 1245 Getting out of the commodity trap		D5 Weaving D6 Simtech D7 P Tuckwell D8 Horsch
1300	1300 - 1400 Amir Kassam, John Landers, Frederic Thomas & Will Scale - Glyphosate Debate			1300 - 1400 Abby Rose, Chris Leach, Fidelity Weston, Fred Price, Ian Boyd & Annie Landless - Become a Soil Health Expert on Your Farm	1300 - 1330 Chris Hook - The Future is now for Biology to replace/supplement chemical fertilizers and pesticides	1300-1330 Compost Turning 1300 - 1330 Allan Savory Book Signing at 3LM Stand
1400	1400 - 1430 Jay Fuhrer - Rainfall Simulator		1400 - 1500 Carbon Loss? How to increase organic matter content in the soils - Jan Feersma Hoekstra	1415 - 1445 Agricology - Weed Surgery	1330 - 1400 Tom Heathcote - Introduction of livestock into the arable rotation	1330 - 1400 Kings Cover Crop Plot Tour (Demo Field) D9 Kuhn D10 Novag D0 Virkar D-1 Ryetec
1500	1500 - 1600 Frederic Thomas - Different approaches to weed management with CA	1500 - 1600 Will Scale & Simon Cowell - CA Principles into Practice in the UK		1500 - 1600 Martin Lines (NFFN) Can we farm without insecticides?	1500 - 1530 The Ambitious Farmer: How will you make your farm's future bigger than its past? - Sam Watson Jones	1500 - 1600 Dr Anne Bhogal & John Elphinstone - AHDB Interactive Soil Pit Session
1600				1615 - 1645 Agroforestry – your questions answered!	1530 - 1600 Ben Pugh - Fixing the Food Supply Chain	1600 - 1630 Cotswold Seeds Herbal Ley Workshop - on Herbal Ley 1630 - 1700 Mob Grazing Demo - John Cherry
1700	1700 - 1800 Joel Williams, Andrew Howard, Doug Christie & Timothy Parton - Farmer Perspectives: Reducing N	1700 - 1800 Mike Harrington - Integrated Systems Approach Farming	1700 - 1800 Ollie Martin (Chair) - Direct Drill Discussion	1700 - 1725 James Daniel Grazing Infrastructure	1700 - 1730 Martin Lines - Why Farming with the Environment is the way Forward	1730 - 1800 WOX Machinery Demo
1800				1730 - 1800 Rob Hodgkins - Integrating sheep into the arable rotation	1730 - 1800 John Landers Refining the Elterwater Challenge	
1900	1900 - 2000 Courage to Change - Ruby Wax in conversation with Sam Watson Jones					PASTURE FED SPIT ROAST BBQ - at Earthworm Arms
2000						

Wednesday 26th

	Conference Barn	Seminar Barn	Soil Tent	Agricology Discussion Tent	Old Dairy	Elsewhere on site
0900	0900 - 1000 Allan Savory - The Importance of Managing Holistically	0900 - 1000 Ian Piggott, Simon Cowell & Clive Bailye - Conversations with UK No-Tillers	0900 - 1000 Dr. Anne Bhogal & John Elphinstone - Measuring and optimising soil management using the soil health scorecard and molecular approaches	0900 - 1000 Simon Jeffery - Why no-till? A soil biota perspective	0900 - 0930 Nicolas Verschuere - How regenerating soil health can improve farm profitability from year one 0930 - 1000 Jonathan Holmes - Carbon Sinks	
1000	1015 - 1100 Interview with Minister Robert Goodwill - chaired by Rosie Boycott	1005 - 1100 What can soil tell you? - Savory Hub Breakout Session		1015 - 1045 Agricology - Low input sheep production and saifoin		D10 Novag D9 Kuhn D8 Horsch D7 Sly Agri
1100	1115 - 1200 William Kendall "How to win in the supermarket world"	11.00 - 12.00 Jay Fuhrer Carbon, Crops and Covers	1100 - 1200 John Landers - Zero Tillage (CA) in Ley Farming	1100 - 1200 Innovative Farmers - Improving soil health through farmer-led research	1100-1130 Jennifer Brodie & Glynn Mitchell - Microbes and Minerals 1145 - 1200 Igor Vaintrub - The Food Waste Farmer	1100 - 1130 Improved Crop Production through Interaction of Beneficial Soil Microbes - Natallia Gulbis - @ Plantworks Stand
1200	1200 - 1230 Jay Fuhrer - Rainfall Simulator			1200 - 1300 Harvesting ideas for soil health innovation - Interactive session		D6 Simtech D5 Weaving D4 Dale Drills D3 P Tuckwell D2 Sky Agriculture D1 Cross Slot D0 Virkar D-I Ryetec
1300	1230 - 1330 William Kendall, Nick Barnard & Corisand Alberte - Routes to Market			1315 - 1345 Adrian Newton Building diversity and soil health for sustainable cropping systems		KWS Variety Trial Discussion at KWS Trial Area Innovative soil and water health testing on Fungi Alert Stand
1400	1400 - 1500 Allan Savory in conversation with Charles Massy , chaired by Tim May	1400 - 1500 Charles Burrell and Izzy Tree - "Rewilding at Knepp"	1400 - 1500 Joel Williams - Nitrogen Sharing from Legume Companions	1400 - 1445 Neils Corfeld - Whole Farm Planning for Regenerative Agriculture	1400 - 1430 Richard Phillips - Amino-acid based Biostimulants and their role in broadacre agriculture 1430 - 1500 Ian Robertson - Linking soil health to output	1400 - 1430 Compost Turning 1430 - 1500 Kings Cover Crop Plot Tour (Demo Field)
1500	1515 - 1545 Affinity - Low cost, open-data & DIY approaches to assessing the public goods provided by your land		1500 - 1600 David Purdy - Michelin Soil Compaction Demo and Results	1500 - 1600 Pasture Fed Livestock Association How to engage with consumers		1500 - 1530 Book Signing at Book Store 1500 - 1600 AHDB Soil Pit Session
1600	1600 - 1700 FCCT, Joel Williams, Simon Cowell - Soil Farmer of the Year	1600 - 1700 Charles Massy - Call of the Reed Warbler: A New Agriculture - A New Earth	1600 - 1700 Ollie Martin (Chair) - Direct Drill Discussion	1615 - 1645 Agricology - Cover crops: what have we learned about what works?	1600 - 1700 Natasha Cambell-Mcbride, Bee Wilson and Nick Barnard, Chaired by Rosie Boycott - The Soil/Gut Connection	1600 - 1630 WOX Machinery Demo
1700						1700 - 1730 Mob Grazing Demo - John Cherry
